LABOUR ARBITRATION SEMINAR
(Fall Term, 1985)

This material includes an outline for the seminar, a mock collective agreement we shall use throughout the seminar, and relevant excerpts from the Canada Labour Code.

The readings under each topic heading on the outline labelled "Basic Readings" will be the subject of discussion at the seminar meetings. The "Other Readings", usually broader in scope, are listed for optional extra study. The legal periodicals and monographs containing all of these are available on the Reserve Shelf in the law library. A summary update of the outline will be provided during the first week of classes. The "casebook" listed in the readings is Labour Relations Law: Cases, Materials and Commentary (4th ed. Labour Relations Law Casebook Group 1984).

We will discuss Topics 1 - 5 on the outline at the first meeting.
